RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Notice of Non-Compliant Amendment dated March 20, 2008 indicates that the claim listing in the Amendment In Response To Non-Final Office Action ("Amendment") filed February 22, 2008 did not present the claims in ascending numerical order, as the new claims added via the Amendment were numbered 63-65 rather than 71-74 (claims 62-70 had previously been cancelled). The new claims are numbered 71-74 in this paper. The content of the remainder of this paper is identical to that of the Amendment filed February 22, 2008, except that the formal drawings filed with the Amendment are not also enclosed herewith, and references to the new claims in the Remarks section are to claims 71-74 rather than claims 63-66.
